Compatibility mobile telephones ⁽¹⁾

With which mobile/cellular phones does the Konftel 60W/Konftel 50 work?

A flexible and ingenious way for several people to be able to speak with each other!

Use the telephone's functions and transfer the call to the loudspeaker function on the Konftel 60/Konftel 50 with the press of a button.

The special cable is connected directly between the Konftel and the DECT/Cordless or mobile/cellular phone.
