product information online

The first headset that knows you're wearing it. With Smart Sensor™ technology it redefines hands-free convenience, so you can answer calls simply by putting it on. Apps that offer tips, tricks and tools for your Android™ or iPhone, brilliant HD audio and superior comfort make this the smartest headset for smartphones.

SO SMART, IT MANAGES YOUR CALLS.

- Revolutionary Smart Sensor technology automatically answers calls when you put on your headset
- Smart Sensor technology knows whether to send calls to your mobile phone or your headset
- Streams music, podcasts, GPS directions and other audio
- Pauses streaming audio for calls or when the headset is taken off
- Voice alerts announce talk time, volume, connection and more
- Eliminates accidental dialing by locking call button when headset is not worn
- Triple tap of Call button dials Vocalyst™ voice and text service
- Monitor your headset battery level on-screen with Android and iPhone
- Plantronics MyHeadset™ app gives you tips, tricks and tools for Android phones
- Experience brilliant, HD streaming audio plus natural, clear calls
